Reporte de comunicaciones, reuniones y coordinaciones con los proveedores de Minera Panama y el equipo comunitario.

AREA: Logistica/Commercial

Fecha de los reportes: May – October 2022

Preparado por Enrique Marengo- Supervisor de Logistica.

	
Estimado proveedor, Minera Panama, en su estrategia de promover la mejora continua en la gestión de seguridad industrial de sus contratistas y proveedores, ha organizado una reunión informativa para sus proveedores que transportan y entregan bienes en Sitio Mina, con el fin de informar los requerimientos actuales y establecer un estándar aplicable a todo el transporte de carga hacia Sitio Mina y por ello su presencia es requerida/obligatoria. Debajo los detalles de la reunión: • Día: miércoles 26 de octubre. • Hora: 9:00 a.m. a 2:00 pm. • Lugar: Salón Syxth - Hotel Riu Plaza Panama. • Agenda: políticas de seguridad industrial y relaciones comunitarias aplicables al transporte de carga hacia la mina de Cobre Panama. • Capacidad limitada a máximo 2 representantes por proveedor. Favor confirmar asistencia a la reunión a los siguientes correos electrónicos, máximo hasta el viernes 21 de Octubre a las 10:00 a.m.: ➤ Enrique.Marengo@fqml.com ➤ Maleni.Gonzalez@fqml.com Atentamente, Andres Monroy Procurement Controller	Dear Supplier, Minera Panama, in its strategy of promoting the continuous improvement of its contractors and suppliers on safety management, has organized an informative meeting for its suppliers that transport and deliver goods at the Mine Site, in order to inform the current requirements and establish a standard applicable to all cargo transportation to the Mine Site; therefore, your presence is required/mandatory. Below the details of the meeting: • Date: Wednesday, October 26th. • Time: 9:00 a.m. to 2:00 pm. • Place: Room Syxth - Hotel Riu Plaza Panama. • Agenda: safety and community relations policies applicable to cargo transportation to the Cobre Panama Mine. • Capacity limited to maximum 2 representatives per supplier. Please RSVP to the following email addresses, by Friday, October 21st - 10:00 a.m.: ➤ Enrique.Marengo@fqml.com ➤ Maleni.Gonzalez@fqml.com Sincerely, Andres Monroy Procurement Controller

**Comunicado distribuido a Nombre del Departamento de Safety
Statement distributed on behalf of Safety Department**

	Cobre Panamá
Estimados Todos: A continuación se les facilita el proceso a seguir para solicitud de inspección de vehicular para vehículos de primer ingreso a las instalaciones de Cobre Panamá El proceso queda de la siguiente forma: <u>Vehículos MPSA</u> • Aprobación de Gerencia de Recursos Humanos (Stephen Tobin). • Confirmación con seguridad física. • Cumplir con los requisitos de seguridad para los requisitos de Seguridad para vehículos livianos y buses SSI-005. • Realizar inspección del vehículo y llenar el formato 21.2.1 Vehicle inspection before arriving at the site. • Validar su inspección vehicular con el oficial de seguridad industrial en garita de entrada. <u>Vehículos Contratistas</u> • Autorización de Gerencia del Sitio. • Confirmación con seguridad física. • Cumplir con los requisitos de seguridad para los requisitos de Seguridad para vehículos livianos y buses SSI-005. • Realizar inspección del vehículo y llenar el formato 21.2.1 Vehicle inspection before arriving at the site. • Validar su inspección vehicular con el oficial de seguridad industrial en garita de entrada. <u>Horario</u> 9:00 am a 11:00 am, todos los días. Para excepciones en el horario establecido por situaciones fortuitas es necesario coordinar con Seguridad Industrial. Adicional durante el horario establecidos se realizara verificación del transporte de carga y requerimientos exigidos por Cobre Panamá a los vehículos y camiones con carga que ingresen durante ese período. Gracias por su atención,  Cobre Panamá Safety Department cobre Panama	Dear All: Below is the process to be followed for vehicle inspection request for first-entry vehicles to facilities Cobre Panama. The process is as follows: <u>MPSA vehicles</u> • Human Resources Management Approval. (Stephen Tobin) • Confirmation with physical security. • Meet safety requirements for Safety requirements for light vehicles and buses SSI-005. • Perform vehicle inspection and fill out format 21.2.1 Vehicle inspection before arriving at the site. • Validate your vehicle inspection with the Industrial Safety officer at the gate. <u>Contract vehicles</u> • Site Management Authorization. • Confirmation with physical security. • Meet safety requirements for Safety requirements for light vehicles and Buses SSI-005. • Perform vehicle inspection and fill out 21.2.1 Vehicle inspection before arriving at the site. • Validate your vehicle inspection with the industrial safety officer at the gate. <u>Schedule</u> 9:00 am to 11:00 am, every day. For exceptions in the schedule established by fortuitous situations it is necessary to coordinate with Industrial Safety. Additional during the established schedule will be carried out verification of the transport of cargo and requirements demanded by Cobre Panama to vehicles and trucks with cargo that enter during that period Thank you for your attention,  Cobre Panamá Safety Department cobre Panama
